

Contributor License Agreement OGRE (www.ogre3d.org)

This Agreement is between you and Torus Knot Software Ltd ("TKS"), a Guernsey company who for the purposes of this Agreement represent the OGRE Project ("OGRE"), an open-source project carried on at www.ogre3d.org and developed and managed by Torus Knot Software Ltd.

This Agreement sets out the intellectual property rights you grant to Torus Knot Software Ltd, its successors and assigns, in the form of contributed materials. If this contribution is on behalf of a company, the term 'You' will also mean the company you identify below. If you agree to be bound by these terms, fill in the information requested below and provide your signature. Read this agreement carefully before signing.

By accepting this Agreement, You hereby agree to the following terms and conditions:

1. As used in this Agreement, the term "Contribution" shall mean any source code, object code, patch, tool, sample, graphic, specification, manual, documentation, or any other material which You have made or will subsequently make available or submit to OGRE in any form. Contributions shall not include any software or documentation which has been explicitly marked to indicate that it is not a contribution to OGRE.
2. With respect to any worldwide copyrights, or copyright applications and registrations, in your Contribution:
 - you hereby assign to TKS joint ownership, and to the extent that such assignment is or becomes invalid, ineffective or unenforceable, you hereby grant TKS a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free, unrestricted license to exercise all rights under those copyrights. This includes, at TKS's option, the right to take legal measures to enforce the copyright and licensing terms of OGRE, and to sublicense OGRE to third parties through multiple levels of sublicensees or other licensing arrangements
 - you agree that both You and TKS can do all things in relation to your Contribution as if each were the sole owner, and if one party makes a derivative work of your Contribution, the party which makes the derivative work (or has it made) will be the sole owner of that derivative work;
 - you agree that you will not assert any moral rights in your contribution against TKS, its licensees or transferees;
 - you agree that TKS may register a copyright in your contribution and exercise all ownership rights associated with it; and
 - you agree that neither TKS nor You has any duty to consult with, obtain the consent of, pay or render an accounting to the other party for any use or distribution of your Contribution.
 - you agree to these terms on the express guarantee that TKS will always make your contributions available publicly, at no cost, under a non-exclusive, open source license approved by the Open Source Initiative.
3. With respect to any patents you own, or that you can license without payment to any third party, you hereby grant TKS a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free license to:
 - make, have made, use, sell, offer to sell, import, and otherwise transfer your Contribution in whole or in part, alone or in combination with or included in any product, work or materials arising out of the project to which your contribution was submitted, and
 - at TKS's option, to sublicense these same rights to third parties through multiple levels of

sublicensees or other licensing arrangements.

4. Except as set out above, you retain all right, title, and interest in your contribution. The rights that you grant to TKS under these terms are effective on the date you first submitted a contribution to the Project, even if your submission took place before the date you sign these terms.
5. With respect to your contribution, you represent that:
 - it is an original work and that you can legally grant the rights set out in these terms;
 - it does not to the best of your knowledge violate any third party's copyrights, trademarks, patents, or other intellectual property rights; and
 - you are authorised to sign this contract on behalf of your company (if identified below).
 - You are legally able and entitled under the laws of your jurisdiction to enter into this Agreement and to grant TKS the rights described in this Agreement.
6. These terms will be governed by the laws of the Island of Guernsey. Any choice of law rules will not apply.
